

Elect **RYAN KIDD** MPP Don Valley East

**Voting Right?** for a candidate who will uphold **your views** on the moral issues?

David Caplan, Liberal quote: "On **abortion** I support a woman's right to freedom of reproductive choice. And I also think that OHIP should be paying for medical procedures and I support that. On **same-sex unions** ... It is quite rightly before the federal government. I do not have a vote, but if I did, I would support it because it has no harmful effects for me and my family." (Sept 22, 2003\*)

hand of 10-week-old aborted baby on US 25 cents

### What's wrong with "choice?"

- ⇒ biologically, genetically, ethically the baby is a human person from conception.
  - ⇒ **we have blood on our hands** - every year Ontario tax-payers support killing about 45,000 innocent pre-born babies. See [www.lifesite.net](http://www.lifesite.net)
  - ⇒ the **compassionate response** is to provide practical support and adoption services to mothers.
- (continued on reverse)

**Your vote is your moral obligation.**

**Paul Sutherland, PC quote:** *"it is the law of the land that [abortions are] allowed...I would continue to do that...we have a civil union...but I personally don't believe we should have marriage between same-sex people."* (Sept 22, 2003\*)

**What's wrong with "equal marriage?"**

- ⇒ marriage is religious in origin and its very nature involves one man and one woman
- ⇒ **children could be adopted** (maybe yours) by two men and taught same-sex behaviour
- ⇒ to affirm same-sex "marriage" is to encourage biologically unnatural and dangerous choices
- ⇒ the **compassionate response** is to offer homosexuals friendship and hope for change

**Murphy Browne, NDP quote:** *"A woman has a right to...reproductive choices... [we support] full equality for gays...including equal marriage"*\*

**Elect RYAN KIDD October 2<sup>nd</sup>**

*"I pledge to uphold the dignity and value of human life from conception to natural death, and to defend marriage as the union of one man and one woman."*

- ⇒ tax-funding for abortion must end
- ⇒ every mother must be enabled to make an informed, compassionate choice for her baby
- ⇒ registering same-sex "marriages" must end
- ⇒ Ontario must use the notwithstanding clause to protect marriage and the constitution

---

\* I encourage you to inquire of your LIB, PC, NDP, FP, and GP candidates to learn their commitments on moral issues. Murphy Browne and David Caplan are most forthright in their support for same-sex marriage and abortion. Paul Sutherland claims these are federal issues. Visit my web site for an audio recording of their statements at the all candidates meeting Sept 22, 2003.
