*Elect* **RYAN KIDD** June 28th

I ask you to **support my vision** to make Canada an environment where families, individuals and businesses can flourish.

**My priorities include:**

- defending the life of **pre-born babies** by defining them as human persons in the criminal code
- defending **marriage** as the union of one man and one woman - for children's sake
- restoring **free-speech** and religious liberty - scrap Bill C-250
- scrapping the counterproductive \$1B **gun registry** - focus on stopping criminals
- supporting **parent's rights** to use non-abusive spanking in raising their kids
- ending **judicial activism** - judges must apply the law, not create it
- **self-defense** - weaker members of society should never be easy victims of violent crime
- **electoral reform** - the concerns of every voter should be represented in parliament
- **zero deficit** legislation; **lower taxes**; efficient, **accountable** government
- **healthcare** reform - quality, responsive service based on competition, prevention, and personal responsibility
